Catholic Schools Week 2020:

Living in Harmony with God's Creation

- **Hospitality & Welcome Team** – One Saturday or Sunday per Month
- **Parish Pastoral Council** – one meeting per month

Catholic Schools Week runs from the **26th of January to the 2nd of February 2020** and this year's theme – Living in Harmony with God's Creation – is a particularly important and relevant one. Over the course of the week primary and secondary schools will be invited to take part in various activities to help them make a deeper connection between their faith and the world around them. Some of students from St Paul's Secondary School, Brunswick Street, will come to the 10 o'clock Mass on Wednesday 29th of January to lead the music and readings. We ask you to keep all schools students as well as their parents and teachers in your prayers this week.

Are you called to serve ?

A big thank you to those who have given their names for various parish ministries. We still have plenty vacancies for

- **Ministers of the Word** – Weekday especially
- **Extraordinary Ministers of the Eucharist** – Weekday and Weekend

If you feel you'd like to be part of our parish ministry team – please speak to Fr Martin or Fr Patrick or you can email halstonst@gmail.com. Training and support is available for all ministries.

Confirmation : Ceremony of Light

The Ceremony of Light for the confirmation classes from George's Hill and St Paul's BNS takes place on **Wednesday 5th of February at 7.30pm**. This is an important ceremony in which the parents pass on the light of faith to their children making confirmation this year. The Confirmation students from both schools come to Mass in the Parish Church every Thursday morning as part of their preparation and last week they were joined by some of the First Holy Communion girls from George's Hill. A sincere thank you to the students and their teachers for their presence and participation.
