World Mission Sunday is the Holy Father's annual appeal for spiritual and financial support so that the life-giving work of overseas mission and missionaries can continue. The needs of overseas dioceses vary greatly. Anything from a motorbike so a priest can celebrate Mass in a remote village, to a community hall to allow people to gather and celebrate in safety. Or more urgently, vaccinations and medicines to protect the vulnerable.

World Mission Sunday: provides Church centred infrastructure by helping communities build schools, clinics, parish halls, and churches. Prepares the future leaders and carers of the Church by supporting the training of sisters, priests, religious brothers, and catechists. Supports missionary programmes that protect and care for children's wellbeing by offering safe shelter, healthcare, education, and hope for the future.

All offerings and donations made for World Mission Sunday become part of the Holy Father's Universal Solidarity Fund. This fund is a lifeline for struggling missionaries and the communities they serve across Africa, Asia, and Latin America, where over 1,100 mission dioceses are found. As these dioceses form and grow, so do their needs. On top of this, mission dioceses are often in remote areas devastated by war and natural disasters, or where suppressed communities are just opening up to the life-saving message of Jesus Christ. This is why World Mission Sunday is so important. It offers young dioceses the financial and spiritual assistance they need to help their men, women, and children to survive and thrive

Mass 29th / 30th October

We look forward to welcoming a member of the Cursillo community, who will speak at both masses next weekend about their way of living and the Gospel life as committed lay people in the church.
